## Prayer Theme Next Week: The Ascension of the Lord (Luke 24:46-53)

In this Sunday's Gospel, Jesus and his disciples are gathered on a mountain. He tells them that they have a job to do. They learned so much from Jesus while he was with them, and now it is time for them to tell others what they have learned. Like the disciples, we have the gift of faith and we need to share it with others. We can do this by telling others about Jesus and by living the way that Jesus wants us to live.

Dear Lord

Make us joyful in the Ascension of your Son Jesus Christ. May we follow him into the new creation, for his Ascension is our glory and our hope.

Amen.

### Year 11 Leavers

Today is a celebration of our Year 11 pupils' journey at Our Lady's Catholic High School. As per tradition, Year 11 pupils have the opportunity to wear red ribbons in their hair to mark the occasion.

We wish all our Year 11 pupils the very best of luck in their exams, starting on Monday. Pupils should continue to attend their lessons leading up to each exam.

## Duke of Edinburgh Bronze Practice

Over the last two weeks, pupils have been learning a variety of skills in preparation for their upcoming Duke of Edinburgh expedition in June.

Pupils worked in pairs to erect and pitch their tents on the school field. In the classroom, staff supported pupils in their preparations for the navigation element of the award: using a compass; reading Ordnance Survey maps and understanding features, symbols and grid references.

## Year 7: Chocotastic Challenge

Well done to all the Year 7 pupils who have been taking part in the Chocotastic Challenge in their Design and Technology lessons over the past month. Pupils have worked together in teams of three to develop a healthy, chocolate product. They have also designed packaging, a mascot, promotional posters and leaflets.

Each group carried out a superb visual and oral presentation to their class.

All pupils were able to vote to decide a winning team from each Design and Technology class.

## Under 16 Boys: Lucas Shield - Winners

The Year 11 football team were crowned Lucas Shield winners in the Preston Schools' Football Association: Under 16 Cup Final at Deepdale on Wednesday, 10th May. After narrowly losing out in the Year 10 final, this team came back even stronger. They held their nerve in a penalty shootout to win 4-3 on penalties following a 2-2 tie at full time.

This would be the final time the team would play together and many have been part of the team for the full 5 year term at Our Lady's so it was fitting that they play their last game, the Cup Final, at Deepdale Stadium.

The final score came down to a penalty shoot out. Corpus Christi made three successful penalties from their five spot kicks. After Isaac, Charlie and Toby had scored for Our Lady's, it was down to Harry to win it. With confidence, he struck the ball hard and low into the bottom left corner to send the team into celebration.

The full match report will be published on our school website in the next few days:

## Under 12 Girls: The Melissa Smith Shield - Runners Up

On Tuesday, the Year 7 girls' team travelled to Deepdale for the infamous school's Finals.

The girls faced Corpus Christi in the final and knew it would be a tough game. The excitement leading up to the game has been immense. When the team entered the ground, all the girls were in awe of the sheer size of the stadium and desperate to be in the "home" changing rooms, which we were.

The atmosphere was electric and the girls were so ready to get playing. The play was steady for the first ten or so mins and with a blow of the whistle Corpus were awarded a penalty. It was a cracking strike and went straight in. We knuckled down, made a few changes and started to challenge the keeper a little more. This paid off and we managed to secure a goal back. At half time it was 1-1.

The second half was full of wonderful play by both teams with the ball being driven end to end. With 6 mins to go, Corpus hit the crossbar and the ball gently went over the line as it dropped, meaning it was now 2-1 to Corpus. Corpus defended hard and were able to hold a win to the end.

A huge congratulations to all players.  
Mrs Lin is so proud of you all.

## Under 14 Girls: The Dixon Cup - Joint Winners

On Tuesday, Under 14 girls travelled to Deepdale for the eagerly awaited final with Broughton. The teams have met frequently in the past and Broughton have always come out on top. The girls from both teams know each other well. They play together outside of school. The goal keepers from both teams play for the Lancashire Under 14s, which is just amazing for the Preston District. With this in mind, we knew it would be tough to score goals against either team.

The girls were excited but determined. We talked endlessly about formations, opposition and how to attack. We just needed to transfer it to the pitch.

The game started quietly with both teams saying very little and obviously aiming for that "early goal". Both teams had a number of goals on target but not converted.

At half time it was 0-0 and all to play for. With a heavy tackle against Holly Wilson in the second half and a shift in positions, OLSHS once again tried to push and score. It simply wasn't to be. Broughton scored a goal, which was off side and the minutes trickled away. Final score 0-0.

The girls played some fantastic football and created chances and held Broughton to a 0-0 final score which definitely progress. Maybe next year?.....

## Under 14 Lancashire Premier Division Winners

Three Our Lady's pupils (Lee Reed, Harrison Collins and McKenzie Gavin) have recently won the Junior Under 14's, Lancashire Premier Division League title with a great 2-0 win against Leyland Albion. They will be crowned champions on the 10th June 2023 at UCLan.

We wish them all the very best in their League Cup Final this weekend in the hope of achieving a double title.

## Lancashire Rugby Finals Winners

Congratulations to Finn on winning the Lancashire finals with his Grasshoppers' rugby team.
